GAF CAUTIONS THE PUBLIC AGAINST ATTACKS ON SECURITY PERSONNEL

The Ghana Armed Forces (GAF) has observed attempts by mobs to disarm military personnel on authorised duty as part of military support to the Ghana Police Service to restore law and order across the country.

GAF wishes to caution all and sundry that military personnel on authorised duty have the right to defend themselves, innocent civilians, and property, including the use of lethal force, if necessary to preserve life.

GAF wishes to once again encourage all Ghanaians to exercise their civic rights responsibly, cooperate with security personnel and refrain from any acts that could disrupt the peace. GAF reiterates its commitment to safeguarding the stability and sovereignty of the nation.
