## PRESS RELEASE

### **DVLA GOES FULLY DIGITAL WITH ISSUANCE OF STICKER DRIVE FROM PORT NUMBERS**

Following a successful pilot issuance of the sticker Drive from Port (DP) at the Tema and Takoradi Ports, the Driver and Vehicle Licensing Authority (DVLA) is excited to announce to the general public that with effect from 1<sup>st</sup> August, 2025, there would be no more issuance of aluminium plates at the Ports.

DVLA will **ONLY** issue sticker DP numbers at the ports of entry for vehicles that are imported into the country. This move is aimed at making DVLA services secure and efficient for our clients.

To make this transition as smooth as possible and safe, we have teamed up with the State Insurance Company (SIC) to ensure that vehicles that are issued with DP stickers are provided insurance cover before they leave the Ports.

The general public is encouraged to cooperate with DVLA and SIC to ensure that this transition to innovative and seamless services becomes a success.
